

The Shih Tzu Club Of South Wales & Western Counties
Grange Leisure Centre, Stratton St Margaret, Swindon.

24th March 2019

I would like to thank the committee for the invitation to judge their Championship show, my hard working steward and the exhibitors for their entries.

I did find a number of scrambled mouths also white of eye seems to be on the increase neither of these should be encouraged, it is lovely to have a high tail but you also need a level topline. I found my dogs more of a type, the bitches were more of an any variety. Having said all that I was delighted in my winners.
